Tinos

A Charming Island

Spiritual Gem

“Tinos's beauty is vast but complex. Valleys like moonscapes; metallic beaches of gray or copper; sheer-scooped cliffs.” Rocky Tinos flies under the radar among the bigger names of the Cyclades. This is where the spiritual heart of Greece beats, in the church of Panagia Megalochari. The island is known for the traditional architecture of its villages, its charming sandy beaches and its rich gastronomic culture.
