

PRINCESS 65

FLY BRIDGE

Discover the Aegean Sea.

A few words

Welcome to this performance powerboat representing the highest quality and blend of style, comfort and performance.

This yacht has all the amenities, electronics and mechanical equipment you would expect on a motor yacht of this size and quality. The interior features spacious accommodations with an excellent layout and elegant appointments. The boat underwent an interior refit in 2022, and the saloon ceilings were renovated in 2024.
